AN EXTRACT FROM TAUNTON FLOWER SHOW REGULATIONS – 2007

To specify those relevant to all Exhibitors in the Competition Classes

GENERAL

1. These General Regulations shall apply to all exhibitors at the Show including exhibitors in the competition classes. In these Regulations “the Society” is Taunton Deane Horticultural and Floricultural Society and “the Committee” is the Show Management Committee.
2. The Committee has power to refuse any exhibit that it considers unworthy of being shown and also to reject, or order the removal of, any unsightly or unsuitable stands, receptacles or staging.
3. All exhibits, stands, equipment, stock and any other property belonging to any exhibitor at the Show are the responsibility of the exhibitor and remain in the Showground at his, her or their own risk. The Committee will endeavour to provide protection, but it will not accept any liability for loss or injury arising from any cause whatsoever or howsoever arising within the Showground. The Committee wishes to advise exhibitors that it is unwise to leave any items of value within the Showground, which items are the exhibitors' own responsibility. Exhibitors are responsible for ensuring that their own exhibits comply with health and safety regulations.
4. Judging will commence at 8.00am on Friday 3rd August 2007. Judging of all exhibits will be in accordance with the Rules and Guidelines of the Royal Horticultural Society and/or those of a specialist national society. No exhibitor, unless officially engaged, will be allowed to remain in the marquee during the judging process. Any protest against the decisions of the judges must be made in writing to the Show Secretary before 3.00 pm on the first day of the Show accompanied by a deposit of £5 in the case of the scheduled classes which will be returned if the protest is upheld or otherwise forfeited. Subject to the determination of any protest the decision of the judges is absolutely final and binding.
5. Judges shall not be competitors in any class in which they are appointed to judge and they shall not be present during the staging of exhibits. They have the power to withhold or reduce prizes for any exhibit that, in their opinion, does not merit an award and to cut, taste or otherwise examine any exhibit.
6. All exhibitors MUST observe the one-way traffic system operated in the Showground. All vehicles MUST be removed from the Showground by 8.00 am on the first day of the Show and will not be permitted to return until after 6.00pm on the second day of the Show when authorised by a steward or other official.
7. All forms of sponsorship at the Show, whether arranged directly through the Society or indirectly by any exhibitor or trader, must be subject to the prior approval of the Committee.
8. In the event of the cancellation of the Show by the Committee before its advertised time of opening by reason of any circumstances beyond the control of the Committee, no exhibitor shall have any claim on the Society for any loss, damage, interest or compensation whatsoever.
11. No dogs other than guide dogs are permitted in the Showground.

EXHIBITORS IN THE SCHEDULED CLASSES

21. Every exhibitor must submit an entry form specifying the classes to be entered with the requisite entry fees by 12 noon seven days prior to the show. The exact date is shown on the entry form. Members of the Show may enter exhibits without fee other than in any imposed class or for group exhibits.
22. An individual exhibitor whose entry fees amount to at least £8, and all children who enter individually, will also receive one non-transferable ticket for admission once to the Show and which will be issued to non-members with their class tickets in the Competition Marquee when staging their entries.
23. Exhibits in Division 1-7, 9 and 10 may be staged from 3.00pm on the day preceding the Show. Exhibits in Division 8 (Floral Art Classes) may be staged from 12.00 noon on the day

preceding the Show. All exhibits must be staged by 7.45am on the first day of the Show and MUST remain staged until 5.30pm on the second day of the Show when a bell will be rung. Officials will then clear the marquee of ALL persons including exhibitors. When this has been achieved exhibitors will then be re-admitted to remove their exhibits.

24. Exhibitors will be allowed to take into the showground only such assistants as are reasonably required for the staging of their exhibits.
25. A card for every class entered will be supplied to each exhibitor, cards being issued from the Control Point in the Competition Marquee (not from the Show Secretary's tent). The exhibitor will be responsible for the proper placing of each exhibit in the space allotted with the card face down unless otherwise specified in the Schedule.
26. All exhibits (other than floral art) must have been grown or made and be the bona-fide property of the exhibitor. A declaration to that effect must be made when entering. No exhibit entered at any previous Taunton Flower Show will be accepted for entry at this show. Any competitor obtaining a prize fraudulently will forfeit all prize money to which he may otherwise be entitled and will be excluded from future Shows.
27. Exhibitors must provide their own vases, accessories, dishes, baskets and other requisites, except where otherwise stated in the Schedule.
28. Prize money may be collected from the Control Point in the Competition Marquee between 2.00 pm and 7.00 pm on the second day of the Show. Prizes not claimed at the Show will normally be assumed to have been donated to the Show.
29. Irrespective of the prize money awarded in each class, points will be awarded for the determination of trophies, etc based on points as follows: First Prize: 6 Points; Second Prize: 4 Points; Third Prize: 2 Points, unless indicated in the schedule. In the event of a draw the trophy will be awarded to the exhibitor with the highest number of first prizes, if there is still a draw then the highest number of second prizes and then third prizes will be taken into account.
30. No exhibitor will be permitted to receive more than one prize in any one class. If the judges award equal prizes in any class the points/prize money relating to that prize and the appropriate number of prizes next below it/them in that class according to the number of joint winners, will be added together, and the total divided equally between each of those joint winners.

TRAFFIC ARRANGEMENTS

There will be a one-way traffic system in operation in roads around the Park. For access to the Show, traffic will pass along The Mount/Mountway with the exit from the showground being along Mount Street, turning left into Mary Street/Upper High Street. Access for unloading and loading for the Competitive Marquee will be from the central arena. After the Show on the second day, traffic will be admitted to the showground, in liaison with the Police, as soon as possible after 6.00pm when the Show closes. No precise time can be given for this as it will depend upon the conditions and the speed with which the roadway is largely cleared of pedestrians and judged safe for vehicular traffic to enter. All exhibitors are asked to keep the roadways clear of traffic.

All measurements are in metric in the schedule. The following approximate imperial/metric equivalents are given as a guide only
