WELCOME TO THE COMPETITIVE CLASSES FOR 2010

2010 will be the 144th year of competitive classes at Taunton Flower Show. These classes have come a long way from the original few classes for cottage gardeners in 1866 and this year sees a further expansion. For the first time we have a class for floristry students and - another first - we have included two classes for orchids which we anticipate will see some spectacular displays.

This year, we will be holding the cup presentation in the competitive marquee rather than in the main arena. As well as "weather proofing" this ceremony, we hope that this will provide a more intimate and meaningful atmosphere for this important part of the show. For the very youngest competitors we are again running the fancy dress competition, this year on a "wild west" theme.

We look forward to seeing you at the show!

HOW TO ENTER TAUNTON FLOWER SHOW

These instructions are for general guidance only. Competitors should make sure they have read and understood the Taunton Flower Show Regulations 2010 from page 19.

- a) Anyone is eligible to make competitive entries in the flower show. Some classes or divisions are restricted to members of particular groups or are for novices etc. The classes in the young people's division are restricted to particular specified age groups.

Where entry to classes is restricted, this is indicated in the schedule. Exhibitors must make sure they are eligible for the classes they intend to enter. Many of the classes contain special instructions; these are shown in the schedule. Entrants are advised to follow all such instructions very carefully. Please make sure that you enter your exhibit in the correct class to avoid being disqualified as "not according to schedule".

- b) When you have decided which classes you wish to enter, you should complete the entry form (see page 23) and make sure the form reaches either of the addresses shown on the entry form by **12 noon on Friday 30th July 2010**. Please use one entry form per person. Extra entry forms can be found on the show's website or are available from the show secretary. Members may enter by email: see the website for details or email to entries@tauntonflowershow.co.uk

Make sure you include a cheque to cover your entries to the correct amount. NOTE that entries are FREE for individual members of Taunton Flower Show. ALL entries in the young people's classes (division 10) are FREE. See page 22 if you wish to become a member of the show. Note: you don't have to be a member to take part.

- c) You should bring your exhibits to the competitive marquee between the times specified on page 21. NOTE that some exhibits must be made up in the tent, these classes are indicated in the schedule. Make sure you bring everything you may need to stage your exhibits.
- d) You should collect your entry cards from the control point inside the competitive marquee. Once you have staged your exhibit, place the exhibit card for that class FACE DOWN with your entry. If you are unsure what to do, please see one of the stewards who will be on duty.
- e) All exhibits should be staged as attractively as possible with the exhibits in the best possible condition. Always take some extra specimens to cope with emergencies. Remember that pots and vases are NOT supplied and you should bring your own.
- f) Fruit, flowers and vegetables are judged in accordance with RHS rules (with the exception of division 4, Novices) and the floral art classes will be judged to NAFAS standard. If you are entering these classes, it will be useful to make yourself familiar with their requirements. RHS rules are included in a small booklet titled "The Horticultural Show Handbook" which is available from the RHS website and contains excellent advice.
- g) **You MUST have staged all your exhibits and have left the marquee by 7.45am on FRIDAY 6th August. You may NOT collect your exhibits before 5.30pm on Saturday 7th August.**
- h) Have fun and enjoy yourself! We look forward to seeing you at the show.

JUDGING OF WINES

Judges will be asked to judge wines and beers according to the definitions contained in the "Handbook of the National Guild of Wine and Beer Judges" - revised 2000 and this should be consulted by competitors requiring full details. The following guide may assist exhibitors in choosing the right class of wines.

DEFINITIONS OF WINES

Aperitif. A wine that can be drunk by itself before a meal and stimulates the appetite.

Table Wine. A wine that is suitable for accompanying a meal. Generally not too strong in bouquet and flavour, with an alcohol content of only 10-12%.

After Dinner Wine. This wine can be white, golden, red or tawny. It needs to be rich in bouquet and flavour, medium to sweet, full bodied and of high alcohol content. It should preferably be served at the end of a meal.

Social Wine. Widely made and drunk. This wine is intended for drinking other than with a meal. It is usually less strong and rich than a dessert wine, though with more flavour and sweetness than a table wine.

Rose Wine. Not necessarily made from rose petals, this wine should be pink to pale red, delicate in bouquet and flavour, light in texture and alcohol and medium dry. It is suitable for serving at the table with many dishes.

NOVICE CLASS

Open to exhibitors who have not won a first prize previous Taunton Flower Show wine classes or Taunton Wine Circle show.

1122 Elderflower Wine using the following recipe. Note: This wine can be made and exhibited this year.

Ingredients:	3 Large heads of elderflower florets	140ml white grape concentrate
	1kg white sugar	5g citric acid
	5g yeast nutrient	5g grape tannin or cup of strong tea
	wine yeast	

Check before you pick the flowers that they are a variety suitable for winemaking, as some have a very unpleasant smell. They should be light and fragrantly scented, not 'catty'. Pinch a floret between fingers and check the nose; this is the bouquet the finished wine will have. Always pick when the sun is out, and the flowers are dry and fully open. Strip the florets from the stalks and place in a bucket. Add 5 pints of boiling water and leave covered for two days, stirring at least twice daily. On the third day stir the yeast and a teaspoon of sugar into half a cup of warm water. Bring to the boil in 1 pt of water the 1 kg of sugar, cool and then pour the syrup into a demijohn. Strain off the flowers, and add to the cooled syrup, add all other ingredients. Top up the demijohn to the shoulder with cold water. Add the yeast culture, and agitate vigorously. Fit a rubber bung and half filled airlock, and leave in a warm place, shaking daily until fermentation is completed. Rack the wine into a clean jar, top up with apple juice or cool water, and add a crushed Campden tablet. Refit bung and airlock and leave to mature in a cool place. Rack off when sediment accrues. Never be tempted to use a greater quantity of elderflower than your recipe calls for. Elderflower are easily gathered, but too much in a wine will spoil it, as it has such a strong bouquet.

AN EXTRACT FROM TAUNTON FLOWER SHOW REGULATIONS – 2010

To specify those relevant to all Exhibitors in all Competition Classes

GENERAL

1. These General Regulations shall apply to all exhibitors at the Show including exhibitors in the competition classes. In these Regulations “the Society” is Taunton Deane Horticultural and Floricultural Society and “the Committee” is the Show Management Committee.
2. The Committee has power to refuse any exhibit that it considers unworthy of being shown and also to reject, or order the removal of, any unsightly or unsuitable stands, receptacles or staging.
3. All exhibits, stands, equipment, stock and any other property belonging to any exhibitor at the Show are the responsibility of the exhibitor and remain in the Showground at his, her or their own risk. The Committee will endeavour to provide protection, but it will not accept any liability for loss or injury arising from any cause whatsoever or howsoever arising within the Showground. The Committee wishes to advise exhibitors that it is unwise to leave any items of value within the Showground, which items are the exhibitors’ own responsibility. Exhibitors are responsible for ensuring that their own exhibits comply with health and safety regulations.
4. Judging will commence at 8.00am on Friday 6th August 2010. Judging of all exhibits will be in accordance with the Rules and Guidelines of the Royal Horticultural Society and/or those of a specialist national society. No exhibitor, unless officially engaged, will be allowed to remain in the marquee during the judging process. Any protest against the decisions of the judges must be made in writing to the Show Secretary before 1.00 pm on the first day of the Show accompanied by a deposit of £5 in the case of the scheduled classes which will be returned if the protest is upheld or otherwise forfeited. Subject to the determination of any protest the decision of the judges is absolutely final and binding.
5. Judges shall not be competitors in any division in which they are appointed to judge and they shall not be present during the staging of exhibits. They have the power to withhold or reduce prizes for any exhibit that, in their opinion, does not merit an award and to cut, taste or otherwise examine any exhibit.
6. All exhibitors MUST observe the one-way traffic system operated in the Showground. Exhibitors in the competitive classes MUST remove their vehicles from the Showground by 8.00 am on the first day of

the Show and such vehicles will not be permitted to return until after 6.00pm on the second day of the Show when authorised by a steward or other official.

7. All forms of sponsorship at the Show, whether arranged directly through the Society or indirectly by any exhibitor or trader, must be subject to the prior approval of the Committee.
8. In the event of the cancellation of the Show by the Committee before its advertised time of opening by reason of any circumstances beyond the control of the Committee, no exhibitor shall have any claim on the Society for any loss, damage, interest or compensation whatsoever.
11. No dogs other than guide dogs are permitted in the Showground.

EXHIBITORS IN THE SCHEDULED CLASSES

21. Every exhibitor must submit an entry form specifying the classes to be entered with the requisite entry fees by 12 noon seven days prior to the show. The exact date is shown on the entry form. Members of the Show may enter exhibits without fee other than in any imposed class or for group exhibits.
22. An individual exhibitor whose competitive entry fees amount to at least £8, and all children aged over 7 who enter individually, will receive one non-transferable ticket for admission once to the Show and which will be issued to non-members with their class tickets in the Competition Marquee when staging their entries.
23. Exhibits must be staged during the times quoted in the schedule and **MUST** remain staged until 5.30pm on the second day of the Show when a bell will be rung. Officials will then clear the marquee of ALL persons including exhibitors. When this has been achieved exhibitors will then be re-admitted to remove their exhibits. These must be removed by 7pm.
24. Exhibitors will be allowed to take into the showground only such assistants as are reasonably required for the staging of their exhibits.
25. A card for every class entered will be supplied to each exhibitor, cards being issued from the Control Point in the Competition Marquee (not from the Show Secretary's tent). The exhibitor will be responsible for the proper placing of each exhibit in the space allotted with the card face down unless otherwise specified in the Schedule.
26. All exhibits (other than floral art) must have been grown or made and be the bona-fide property of the exhibitor. A declaration to that effect must be made when entering. No exhibit entered at any previous Taunton Flower Show will be accepted for entry at this show. Any competitor obtaining a prize fraudulently will forfeit all prize money to which he may otherwise be entitled and will be excluded from future Shows.
27. Exhibitors must provide their own vases, accessories, dishes, baskets and other requisites, except where otherwise stated in the Schedule.
28. Prize money may be collected from the Control Point in the Competition Marquee between 2.00 pm and 7.00 pm on the second day of the Show. Prizes not claimed at the Show will normally be assumed to have been donated to the Show.
29. Irrespective of the prize money awarded in each class, points will be awarded for the determination of trophies, etc based on points as follows: First Prize: 6 Points; Second Prize: 4 Points; Third Prize: 2 Points, unless indicated in the schedule. In the event of a draw the trophy will be awarded to the exhibitor with the highest number of first prizes, if there is still a draw then the highest number of second prizes and then third prizes will be taken into account.
30. No exhibitor will be permitted to receive more than one prize in any one class. If the judges award equal prizes in any class the points/prize money relating to that prize and the appropriate number of prizes next below it/them in that class according to the number of joint winners, will be added together, and the total divided equally between each of those joint winners.

TRAFFIC ARRANGEMENTS

There will be a one-way traffic system in operation in roads around the Park. For access to the Show, traffic will pass along The Mount/Mountway with the exit from the showground being along Mount Street, turning left into Mary Street/Upper High Street. Access for unloading and loading for the Competitive Marquee will be from the central arena. After the Show on the second day, traffic will be admitted to the showground, in liaison with the Police, as soon as possible after 6.00pm when the Show closes. No precise time can be given for this as it will depend upon the conditions and the speed with which the roadway is largely cleared of pedestrians and judged safe for vehicular traffic to enter. All exhibitors are asked to keep the roadways clear of traffic.

MEASUREMENTS

All measurements are in metric in the schedule. The following approximate imperial/metric equivalents are given as a guide only

1 inch = 2.54cm 1 foot = 30.48cm 1cm = 0.394 inch ¼ pint = 140ml
