

Arena Parking Stewards Thursday

Many thanks for volunteering your help. If you arrive by car, you may park in the Showground in the arena.

- Please arrive about ten minutes before your duty and report to Tony Shaw in the arena so that they can instruct you about your job.
- Please ensure that cars and traders wishing to park in the arena enter and exit at the correct points. There will be a one-way system in operation so all cars exiting from the arena must turn left.
- A parking layout will be marked with posts and tape. Your main job is to direct cars into parking spaces so that they do not cause any obstruction. Some traders/exhibitors will need to park next to the entrance of the Floral or Competition Marquees so that they can easily offload equipment and exhibits. Once they have unloaded, they should park their vehicle in a parking space.
- You will be provided with tabards and radios. Please pass these on to the person relieving you. The last ones on duty should return them to the Volunteers Information Point at 8pm.

Please refer to the Volunteer Information Booklet for all the details of what to do in an emergency. Please do not hesitate to ask your Section Leader for any support or advice. We value your help and do not want you to feel isolated. If in doubt, seek advice.
