

Competition Marquee Steward

Days: Thursday, Friday, and Saturday

- Please report directly to your allocated marquee where you will meet your Section Leader. They will brief you about the main aspects of your job – please therefore arrive at your Marquee with at least 10 minutes to spare.
- The public must not be admitted to the marquee until judging is completed. A Show Official will authorise when this can happen.
- Stewards on duty in the Competition Marquee will need to help clear the Public out when instructed on Saturday, to allow competitors to collect their exhibits.
- Please ensure that the exits in both marquees are always kept clear in case of emergency.
- Please circulate as instructed by the section leader and ensure, as tactfully as possible, that exhibits are not touched, handled, tasted or removed.
- When you are relieved of your duty, please give your tabard and whistle to the person relieving you or the Section leader.
- Please be prepared to help the public with any questions they may have.

Please refer to the Volunteer Information Booklet for all the details of what to do in an emergency.

Please do not hesitate to ask your Section Leader for any support or advice. We value your help and

do not want you to feel isolated. If in doubt, seek advice.
